SUBJECT INDEX

Abdomen, pain in, childhood stressors and, 85-91
Accident
  statistics on, 353
  as stressor, 85-91
Adolescence
  parents' perception of diabetes in, 361-369
  as stressor, 85-91
Age-specific response, to sibling death by trauma, 336-337
Airway management, noninvasive, teaching module for, 265-268
American Academy of Pediatrics
  Committee on Communications, 1
  immunization initiatives and, 404
American Nurses' Association
  Rural Childhood Immunization Initiative, 403-405
  standards of nursing practice, 253-260
Anencephalic infant, as potential organ donor, 79-84
Anesthesia, dermal, 406-407
Apnea, infant
  premature, 245-252
  third-party payor billing and reimbursement for nursing services in, 100-105
Asthma, content validation of standards of nursing care in, 15-21
Australia, health care in, 203-207
Automobile accident, 353

Behavioral contracting, in thalassemia, 106-111
Bereavement, sibling, 325-334
Bereavement program, 142-146
  for children's hospital, 385-391
Bilevel positive airway system, 265-268
Billing, third-party, for infant apnea management, 100-105
Burn injury, 353

Cancer, parents of child with, 413-415
Cardiology, pediatric, in St. Petersburg, Russia, 133-139
Caregiver, nurse collaboration with, 2-9
Children's Action Network, immunization initiatives and, 404
Children's Defense Fund, immunization initiatives and, 404
Children's Hospital Bereavement Program, 385-391
Chronically ill child
  health care needs of, 141
  home care and, 217-225
    high-tech, 226-232
  mother's perception of sibling adjustment and family life with, 318-324
  neonatal intensive care unit discharge and, 355-360
  sibling of, 305-317, 318-324
Cognitive impairment
  parent-nurse collaboration in, 2-9
  sibling of child with, 305-317
Comfort, meningococcemia and, 215-216
Communication
  infant cues and, 376-384
  sibling of chronically ill child and, 305-317

Content validity testing, for standards of nursing in asthma, 15-21
Continuous positive airway pressure, 265-268
Coping strategies
  of nursing students sexually abused in childhood, 392-399
  of parents, 217-225
  of sibling of chronically ill child, 305-317
Cultural diversity, education for, 272-273
Cycling accident, 353
Cystic fibrosis, physical activity and exercise in, 112-119

Death
  bereavement program for family, 142-146
  sibling response to, 325-334
  from trauma, child's concept of, 335-344
  unexpected, 41-49
Desferrioxamine, subcutaneous, behavior contracting for, 106-111
Diabetes
  in adolescent daughter, parents' perception of, 361-369
  education program for children and their mothers, 31-40
Diaper, urine specimen from, 10-14
Drowning, 353

Economics
  health care reform and, 209-210
  "high-tech" home care and, 226-232
Education
  cultural diversity and, 272-273
  for diabetic children and their mothers, 31-40
  for mother of premature infant, 233-244
  nursing
    clinical program for, 59-60
    educator's role in facilitating changes, 411-412
    immunization and, 132
    parent-infant bonding and, 201-202
EMLA cream, for procedural pain in children, 406-407
Empathy
  female *v* male, 376-384
  as predictor of sensitivity to infant cues, 376-384
Errata, 140
Exercise, cystic fibrosis and, 112-119

Family
  bereavement program for, 142-146
  of chronically ill child, mother's perception of, 318-324
Family (*Continued*)
  of diabetic adolescent daughter, 361-369
  distressed, home care and, 22-29
  meningococcemia and, 215-216
  sibling-infant relationship and, 280-283
  sibling response to dying child and, 328-329
  stressors and, 177-184
Father
  infant cues and, 376-384
  see also Family; Parent
Federal program, for homeless, 190-192
Fire, 353
Flucometer, 193-196

Gender, parent-child interaction and, 376-384
Glucometer, 124-127
Grief, 386-387
  age-specific response to, 327-328
  sibling, 325-334

Handicapped Act Amendment of 1986, 253-260
Health care reform
  economics and, 209-210
  priorities in, 263-264
Hermeneutic methods, in hospital to home transition of parents of chronically ill infant, 355-360
Home care
  chronically ill child and, 217-225
  "high-tech," 226-232
  meningococcemia and, 216
  neonatal intensive care unit discharge and, 355-360
  nurse-patient authority in, 70-78
  parental distress and, 22-29
Homelessness, 122-123
  federal programs and alternative health care delivery systems for, 190-192
H.O.P.E.S. Program, 142-146
Hospital, bereavement program for, 385-391
Hospitalization
  assessment and intervention for siblings, 289-297
  parent-nurse collaboration and, 2-9
  perceived stress of nonhospitalized sibling and, 298-304
  as stressor, 85-91

Immunization
  American children and, 345-347
  barriers to, 346
  community efforts in, 132

Immunization (*Continued*)
potential opportunities to, 345-346
program initiatives for, 346-347, 403-405
Infant
chronically ill, hospital to home experience of parents of, 355-360
cues from, 376-384
Infant apnea, third-party payor billing and reimbursement for nursing services in, 100-105
Infection, meningococcemia and, 213, 215
Injury, statistics on, 353-354
Israeli, parents of children with cancer in, 413-415

Kiwanis International, immunization initiatives and, 404

Legislation
advanced practice in pediatric nursing and, 263-264
health care and, 67
homeless and, 122-123, 190-192
immunization and, 403-405
nurses' authority to delegate and, 50-51
Licensed vocational nurse, 411-412

Media, violence promoted by, 1
Meningococcemia, 211-216
Midwest, substance abuse in, 152-158
Minnesota, sudden infant death syndrome support group and, 185-189
Mother
diabetes education program and, 31-40
infant cues and, 376-384
of premature infant, 233-244
see also Family; Parent

National Association of Community Health Centers, immunization initiatives and, 403-405
National Center for Health Statistics, 141
National Parent-Teacher Association, immunization initiatives and, 404-405
Neonatal intensive care unit, parents' experience after, 355-360
Neonate
prenatal drug exposure and, 152-158
sibling response to, 277-288
Nisseria meningitidis, 211-216

Organ donor, anencephalic infant as, 79-84

Pain
distraction and, 147-151
meningococcemia and, 213
procedural, EMLA cream for, 406-407
sight of blood and distraction as variables in, 147-151
Parent
bereavement program for, 385-391
of child with cancer, 413-415
of child with disability or chronic illness, 2-9
coping strategies of, 217-225
of diabetic adolescent daughter, 361-369
distressed, home care and, 22-29
hospital to home experience of, 355-360
infant cues and, 376-384
learning from, 68-69
sibling of chronically ill child and, 305-317
unexpected death of child and, 41-49
Parent-infant bonding, 201-202
Physical activity, cystic fibrosis and, 112-119
Playground, accidents in, 353
Policy, immunization and, 345-347
Positive outlook, as coping strategy of parents, 223
Premature infant
during apneic episode, 245-252
support needs of mothers of, 233-244
Public Law 99-457, 253-260

Racial differences, substance abuse and, 152-158
Renal function, meningococcemia and, 213
Research
in children's hospitals, 159-166
collaborative, with master's level graduate students, 400-402
ethics in, 120-121
sampling issues in, 261-262
Respiratory syncytial virus, aerosol ribavirin and, 370-375
Rheumatic fever, acute, 167-176
Ribavirin, aerosol administration of, 370-375
Rural Childhood Immunization Initiative, 403-405

Safety, syringe cap aspiration and, 52-53
School-age child, concepts of illness, 61-65
Self-concept
illness and, 85-91
sibling of chronically ill child and, 305-317
Self-efficacy, among nursing students sexually abused in childhood, 392-399
Sexual abuse
nursing students and, 392-399
self-efficacy, coping, and well-being after, 392-399

Sibling
age factor and, 292
of child with cognitive disabilities, 305-317
of chronically ill child, 305-317
concept of death from trauma, 335-344
differences among, 275-276
editorial on, 275-276
family socioeconomic status and, 291-292
of hospitalized child
assessment and intervention for, 289-297
perceived stress and, 298-304
intrapartum research on, 283-285
mother's perception of, chronically ill child and, 318-324
new baby and, 277-288
prenatal and postpartum research on, 285-286
support for, 294-296
theoretical perspectives of relationships among, 277-279
visitation by, 92-99, 284-285
Skin, meningococcemia and, 213, 214
Smell response, during apneic episode in premature infant, 245-252
Social support, for mother of premature infant, 233-244
Socioeconomic status
family stressors and, 177-184
sibling response and, 291-292
substance abuse and, 152-158
Sources of Family Annoyance, 177-184
Specialty practice guidelines, 253-260
Standards of nursing practice, 253-254
Stressors
health and, 85-91
nonhospitalized sibling and, 298-304
sibling of chronically ill child and, 305-317
Student, nursing
collaborative research with, 400-402
sexual abuse and, 392-399
Substance abuse, in midwestern city, 152-158
Sudden infant death syndrome, support group for child care providers and, 185-189
Syringe cap, aspiration of, 52-53

Tactile stimulation, during apneic episode in premature infant, 245-252
Taste response, during apneic episode in premature infant, 245-252
Temperament, parent-child interaction and, 376-384
Thailand, school-age children and concepts of illness in, 61-65
Thalassemia, behavioral contracting in, 106-111
Third-party payor billing and reimbursement, for infant apnea management, 100-105
Trauma, child's concept of death from, 335-344

United Nations Children's Fund, immunization initiatives and, 404
Urine specific gravity, from diaper specimen, 10-14

Violence
among students, 1
media and, 1
Visitation, by sibling, 92-99, 284-285

Well-being, among nursing students sexually abused in childhood, 392-399
